**37 CFR 1.323 REQUEST FOR CERTIFICATE OF CORRECTION
OF APPLICANT'S MISTAKE**

SIR:

The following is a request for a certificate of correction in Serial Number 10/602,777,
now Patent Number 7,664,263.

A certificate of correction under 35 USC 255 is respectfully requested in the above
identified patent.

At least one of the errors is the fault of the applicant and accordingly, payment of \$100 is
submitted to pay for the fees. The file history of the subject patent indicates that the reference in
the specification to the priority application 08/587,943 was erroneous because the application
data sheet filed with the subject patent application did not contain the reference to 08/587,943.
The request for certificate of correction filed herewith corrects this error.

The patentee is amending the priority claim in the application specification in
correspondence with the same priority claim amendment in the certificate of correction request
filed herewith.

The requested correction is attached on Form PTO 1050.

Respectfully Submitted,

DATE: 2/6/2011
